ABOUT ME

A student entrepreneur, currently running a design firm with work experience in web development, management and online journalism.

Have demonstrated interests in music instruments, pottery, robotics and creative use of IT platforms, such as Dreamweaver, Photoshop, Illustrator and InDesign.

Always intrigued by and attracted to the confluence of art and technology with any opportunity to bring in creativity.

WORK EXPERIENCE

2015 - Current **Co-Founder & Designer, Nuked Studios**
I along with a friend started Nuked Studios, with the simple idea of providing exceptional responsive and mobile friendly websites to everyone.

2017 - Current **Designer, Wheelys India**
Being part of the design team for one of the most successful entrepreneurial journeys has allowed me to explore with designs while creating content for the firm.

2016 - Current **Head Designer, Bottlepop Ltd.**
From the pitch, to the social media content. I head the design team at Bottlepop. Bottlepop is actively launching in cities throughout the world. Bottlepop recently went live in Las Vegas, Mykonos, Dubai

Early 2017 **Intern, Addictive Media**
Worked under the Senior Graphic Designer for a short period as part of our universities apprenticeship program.
