## ABOUT ME

A student entrepreneur, currently running a design firm with work experience in web development, management and online journalism.

Have demonstrated interests in music instruments, pottery, robotics and creative use of IT platforms, such as Dreamweaver, Photoshop, Illustrator and InDesign.

Always intrigued by and attracted to the confluence of art and technology with any opportunity to bring in creativity.

## WORK EXPERIENCE

2015 - 2018

### Co-Founder & Designer, Nuked Studios

I currently run and manage a graphic and website development firm with a partner. This venture has allowed me to experience the industry and its daily work.

2014 - 2016

### Lead Designer, Y E S Pvt. Ltd.

Involved in managing and hosting the company's website as well as handling all design and Information Technology related solutions.

2014 - 2016

### Partner, Amalgamated.Co

Created online website and app. Hold 40% stakes in the online magazine and journal and write for the technology section as well.

JAN 2014

### Intern, Photographer

Assisted a reputed photographer, Sumiko Murgai Nanda, on a couple of projects.

## AWARDS & RECOGNITION

### Karamveer Chakra and Fellowship / March 2015

Acknowledged by the International Confederation of NGO's - ICONGO in association with the United Nations - For Entrepreneurship & Technology

### Featured in Print & Web Magazine / January 2015

Inkspire - Featured in an art magazine, on behalf of Nuked Studios.

## EDUCATION

2015 - 2018

### Srishti Institute of Art, Design & Technology

Currently pursuing a degree in Graphic Design and Art Practices from the institute. I wish to further pursue a masters in the same.

2013 - 2015

### Vasant Valley School

I graduated high school in 2015, with a percentage of 93.5 % in the CBSE Board Examinations.
